Welcome kit

ISEE Young Rennes 2024

Version: 02/06/2024

Welcome to the ISEE Young 2024 conference!

We are excited to welcome you to the 5th ISEE Europe Young and Early Career Researchers Conference, taking place in Rennes (France), from June 5 to 7, 2024.

This meeting offers an outstanding opportunity for researchers in environmental epidemiology to exchange ideas, foster scientific collaborations, meet new and old colleagues from the field, and of course, enjoy themselves! Our goal is to create a stimulating and accessible forum that enhances participation from all attendees, and where hopefully researchers from all around Europe feel welcome. This is why we are putting in place all resources possible to ensure an inclusive, sustainable, and lively in-person conference.

We look forward to welcoming you to the pleasant and welcoming city of Rennes, where sunshine is more than just a rumour :)

The venue and practical information

Address of the conference venue

The French School of Public Health (Ecole des hautes études en santé publique – EHESP) will host us during this 3-day event. The EHESP is located at the Villejean Campus, on the western side of the city.

Location: EHESP School of Public Health Robert Debré Building, 15, avenue du Professeur-Léon-Bernard, 35043 Rennes, France.

The EHESP is easily accessible by public transport from the city centre.

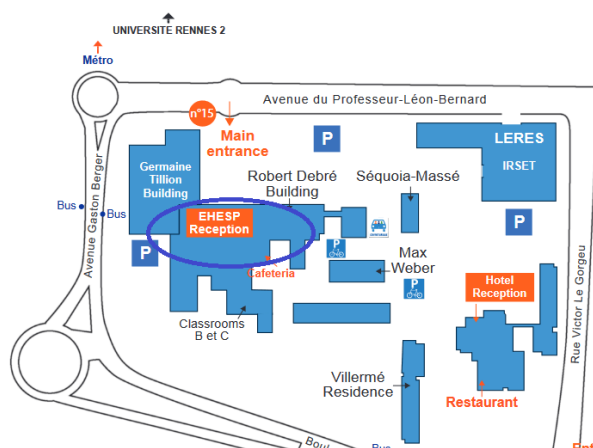

The metro station “Villejean – Université” is only within a 10-minute walk from the venue. The red metro line (a), direction “J.F. Kennedy”, takes you there directly from the city centre or from the train station (“Gares” in French)

The bus C4, direction “Grand Quartier”, will also take you to the University. You can hop off at “Université” to be closer to the conference venue.

Finally, you can come by foot! Rennes is not a very large city, and it takes about 20 minutes on foot to reach the conference venue from the city centre.

All the conference rooms and the amphitheatre (lecture hall) are located at the EHESP's building D "Robert Debré". You will find an information desk on the ground floor, and the registration desk for the conference a bit farther away. You are welcome to come and ask us any questions you may have during the conference! We are happy to help.

No luggage storage is available at the conference venue.

You can leave it in the conference rooms, but at your own risk. Please bear in mind that we are a small conference and that we are all volunteering to organise it, so we won't be able to keep an eye on your luggage if you bring it with you.

Obtain your badge

The first time you come to the venue, **you will need to go to the ISEE Young information desk to get your badge** and some welcome goodies that we have prepared for you!

The welcome desk will open on Wednesday (June 5), from 08:30 to 18:00, on Thursday (June 6) from 07:30 to 18:00, and Friday (June 7) from 07:30 to 16:00.

WiFi at the venue

An eduroam WiFi network is available at the EHESP building. Before coming to Rennes, please check that your computer has all necessary setups to use this network and that it works correctly. If your host institution does not grant access to eduroam, come and see us at the information desk.

Lunch, coffee breaks, and refreshments will be served at the conference venue

Coffee, tea, juice, pastries and snacks will be served at the beginning of the day (09:00-09:30) and during the coffee breaks at 11:30 and at 15:30.

A local and vegetarian meal will be served for lunch.

The presence of potential allergens and other important ingredients in specific dishes will be indicated by the catering service. Don't hesitate to reach a member from the Local Organising Team in case you have any questions.

Important: food and drinks are not allowed in the rooms.

Recharge your batteries at home

There is a very limited number of plugs in the conference venue, let alone in the amphitheatre (lecture hall). Please don't forget to fully charge your laptop/tablet/mobile phone/any electronic devices before coming to avoid an overuse of the conference plugs.

Job corner

Are you looking for researchers to join your team? You may find your perfect match at our conference! Send us an email to: iseeyoung24@univ-rennes.fr with the description of your project and research unit, and we will post it on our job corner.

Are you looking for a PhD or a postdoctoral position? Don't miss the opportunity to have a look at the job corner ads!

Social events

Conversation starter

At ISEE Young, we want you to meet new people! Following the research interests you indicated during the registration process, we have designed special conference badges with icons to help you quickly spot common interests among participants. So don't be shy and don't hesitate to start new conversations around your shared passions.

Scavenger hunt

We have also organized a scavenger hunt which will take place during the conference. The aim is to find specific participants. The real treasure of this scavenger hunt is the incredible encounters, but if you manage to find all the people you will get a small reward at the information desk...

More information on the scavenger hunt to come!

The Conference Fest-Noz

We are delighted to invite you to **the conference Fest-Noz at the Parquet de Bal**, in Rennes on June 6 from 18:30!

So get ready for a genuine “Soirée Bretonne”! In addition to the classical and delicious galettes & crêpes from la Bretagne, we will host the musicians from the Cercle Celtique de Rennes to perform and introduce us to the traditional dances of the region. In addition, you will be able to play some typical Breton games that you will for sure spot in many of the bars’ terraces in Rennes! And of course, we will end the evening by dancing on the best international music! Free soft drinks, cider, and beer will be served!

Where?

A 20-minute walk from the conference venue, and a 10-minute walk from the Metro station “Villejean – Université”

Parquet de Bal – Cercle Celtique de Rennes – Ferme de la Harpe
Av Charles et Raymonde Tillon – 35000 Rennes

Join us for a group departure from the conference venue at 18:30 (in front of the EHESP).

What do you need?

There is no dress code.

Everyone is welcome! Registration for the conference dinner gives you access to the food, so don't forget your dinner tickets that you will receive at the beginning of the conference. To know if you have registered for the dinner or not, you can check your registration confirmation email.

Participants who have not registered for the dinner can still come and take part in the evening (you can even bring your own food to avoid frustration ;)).

Please note that no locker rooms will be available. At the entrance to the facility, there will be a small storage area where you can leave your belongings, but there will be no one to look after them, so it will be your responsibility. We therefore advise you to drop off your most valuable belongings at your hotel before coming to the party.
